

## USA Archery Instructor Certification Courses @ Sattva General Information for Level I & Level II

*Please read carefully as the course format has changed.  
Camp and Program Directors, please also read the document specific to your context.*

Level I and II courses now follow a blended model involving both an online and in-person learning experience. USA Archery hosts the online portion of the course while Sattva facilitates the practical experience where coaches further their learning and demonstrate competency. At this point, the online portion of the course is offered in English only.

The online courses are completed on a self-paced timeline at any point during the year and culminate with an online exam. Candidates *must take and pass* the online exam with a 75% or higher to participate in the practical with Sattva. The online portion of the certification course takes approximately 3 hours for Level I and 4 hours for Level II. The practical experiences take approximately 4 hours for Level I and 8 hours for Level II.

### Registration for Online Course through USA Archery

Candidates may register and begin the online course at any point. This link [HERE](https://www.usarchery.org/coaches/course-information/38360) <https://www.usarchery.org/coaches/course-information/38360> provides easy instructions on how to get started with the online course.

### Registration for the Practical Course with Sattva

Registration is now a two-step process, and this is exciting because that means Sattva can certify you with the click of a button after you pass your practical. No more waiting for certifications!

- **Step One:** Go to USA Archery and register for the practical portion of your course. USA Archery will not ask you for any money at this step. You will pay Sattva directly in Step 2. This first step is the magical step that allows Sattva to pass successful candidates immediately after the practical course.
- **Step Two:** Go to Sattva and enroll in the course with Sattva. You must register with both USAA and Sattva for the practical. However, payment only goes to Sattva for the practical.
- *Registration through Sattva can go through our website, or we can call us over the phone and arrange for us to send you an invoice.* We recommend calling us and having Sattva send you an invoice when the practical involves Sattva traveling to your location.
